We spoke with Mr. Hammer today and made sure he has the correct number. He also confirmed receipt of our various mailings.

I just confirmed we have no messages from him. Maybe he has the wrong number. I've asked staff to give him a call.

I remember him from formation. He was quite grumpy then, so I am sorry if he was grumpy with you.

Hi, Mr. Hammer called me and claimed that he has not heard back from anyone regarding his BID messages. Can't say for sure if that is true, or if he actually left messages, but if you could get back to him, that would be awesome. thank you!
